

CERTIFICATE OF ANALYSIS

Reference Substance

Date :

Sulpiride Impurity D

Batch No.:

IUPAC : 2-methoxy-5-sulphamidobenzoic acid or

IUPAC : 2-methoxy-5-sulfamoylbenzoic acid,

Molecular weight: 231.23

Molecular formula: C₈H₉NO₅S

Sr.#	Test	Results	Data ref.
1	Appearance	White powder	-----
2	Purity by HPLC	98.59% (Area %)	Chromatogram attached
3	MASS	Conform	Report attached
4	NMR	conform	Report attached

Storage condition: Store at 2-8°C and protect from direct sunlight and moisture.**Shipment date:**

This certificate of analysis is valid for two years from date of manufacturing, provided the substance is stored under suitable conditions.
