

CERTIFICATE OF ANALYSIS

Reference Substance

Date :

Sulpiride Impurity B

Batch No.:

IUPAC :(2-methoxy-5-sulphamidobenzoic acid methyl ester) or

IUPAC : (Methyl 2-methoxy-5-sulfamoylbenzoate)

Molecular weight: 245.25

Molecular formula: C₉H₁₁NO₅S

Sr.#	Test	Results	Data ref.
1	Appearance	White powder	-----
2	Purity by HPLC	98.58% (Area %)	Chromatogram attached
3	MASS	Conform	Report attached
4	NMR	conform	Report attached

Storage condition: Store at 2-8°C and protect from direct sunlight and moisture.**Shipment date:**

This certificate of analysis is valid for two years from date of manufacturing, provided the substance is stored under suitable conditions.

Manufacturing date:**Retest Date:****Document data reference:***Prepared by**Reviewed by**Approved by*
